

## EU Declaration of Conformity

For the product described as follows

**Product designation**                      **Digital differential pressure transmitter / switch  
with colour change LCD**

**Type designation**                         **DE38**

it is hereby declared that it corresponds with the basic requirements  
specified in the following designated directives:

|               |                                                               |
|---------------|---------------------------------------------------------------|
| 2014/30/EU    | EMC Directive                                                 |
| 2011/65/EU    | RoHS Directive                                                |
| (EU) 2015/863 | Delegated Directive amending Annex II to Directive 2011/65/EU |

The products were tested in compliance with the following standards.

### **Electromagnetic compatibility (EMC)**

|                                                      |                                                                                                                                                                                                                                                             |
|------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>DIN EN 61326-1:2013-07</b><br>EN 61326-1:2013     | Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: General requirements                                                                                                                                          |
| <b>DIN EN 61326-2-3:2013-07</b><br>EN 61326-2-3:2013 | Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 2-3: Particular requirements - Test configuration, operational conditions and performance criteria for transducers with integrated or remote signal conditioning |

### **RoHS Richtlinie (RoHS 3)**

|                                                      |                                                                                                                                          |
|------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| <b>DIN EN IEC 63000:2019-05</b><br>EN IEC 63000:2018 | Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances |
|------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|

Also they were subjected to the conformity assessment procedure „**Internal production control**“.

Sole responsibility for the issue of this declaration of conformity in relation to fulfilment of the fundamental requirements and the production of the technical documents is with the manufacturer.

**Manufacturer**                                 **FISCHER Mess- und Regeltechnik GmbH**
