Hand-held Digital Pressure Gauge

MA25 and MA31

Example MA25

MA25

- ▲ Measuring ranges:
0-200 mbar and 0-2 bar
- ▲ with integrated sensor
- ▲ Price reduction:
from Euro 471,00 to 229,00

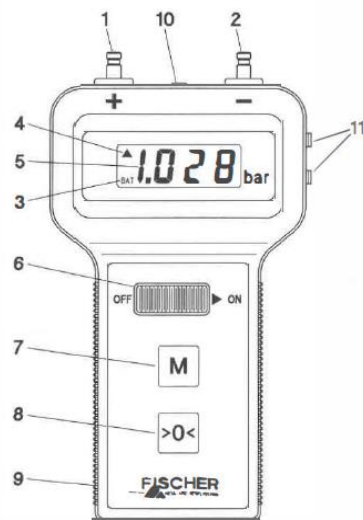

MA31

- ▲ Measuring ranges:
0-10 bar
0-25 bar
0-40 bar
0-60 bar
0-100 bar
0-160 bar
0-250 bar
- ▲ with thermal printer and external sensors
- ▲ Price reduction:
from Euro 769,00 to Euro 349,00

- ▲ Integrated 9 V transistor battery (MA25)
- ▲ Integrated 6 V transistor battery (MA31)
- ▲ Analogue output signal 0-2 V
- ▲ High resolution
- ▲ 3 ½-digit LC-Display
- ▲ High overload protection

Suitable for following applications:

- ▲ Filter-monitoring of air-conditioning systems
- ▲ maintenance of gas-burners in heating installation
- ▲ other service and maintenance work in industrial processes
- ▲ Automotive

Service Symbols

1. Pressure connection (- minus)
2. Pressure connection (+ plus)
3. Low-battery indication
4. Measuring value recorded
5. 3 ½ digit display
6. Switch ON / OFF
7. Storage key „Memory“
8. AUTO - ZERO key
9. Battery case (on the backside of instrument)
10. Connection for power supply
11. Analogue output signal
